

Save the Date 17. – 21. April 2023

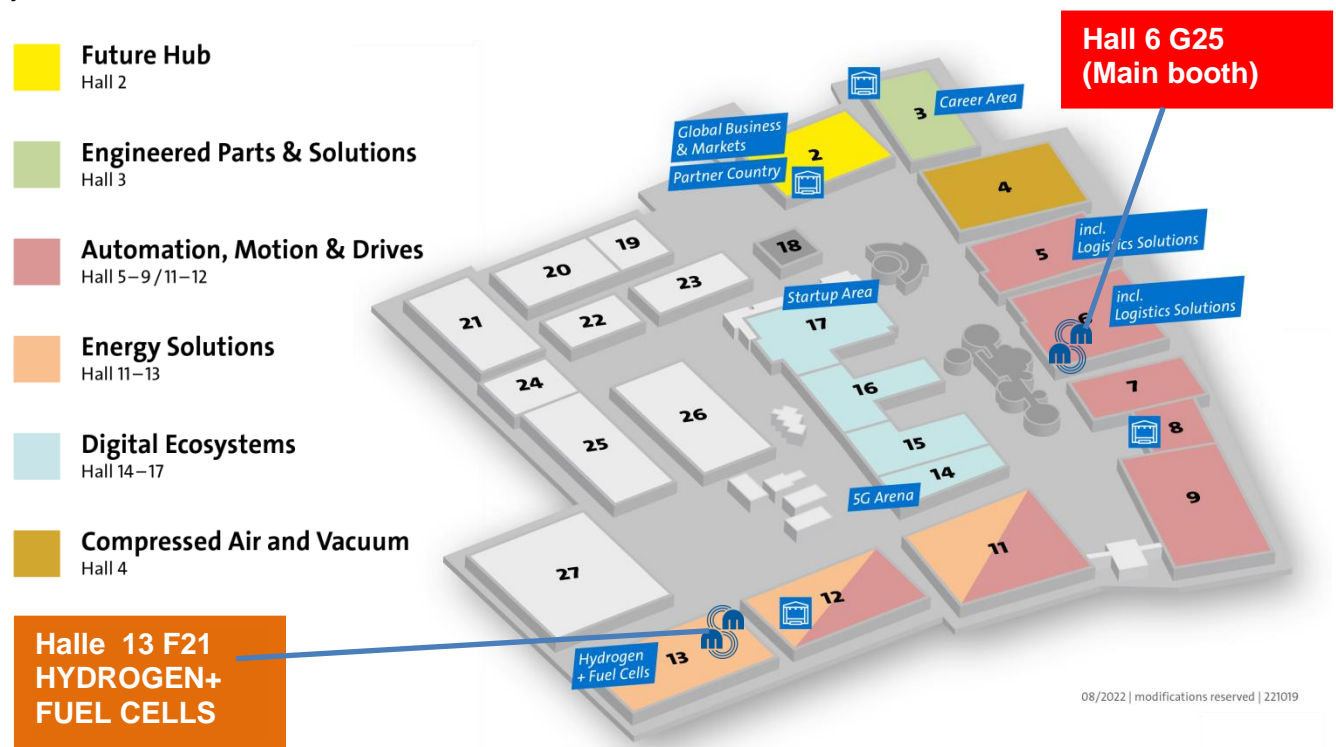

Dear Ladies and Gentlemen,

As your specialists for electromagnetic actuators, sensors and valve technology, we very much would like to stay in contact with you! Therefore we kindly invite you to visit us at the Hannover Messe. We are looking forward to finding joint solutions for your latest electromagnetic challenges or discuss your ongoing projects with you.

In addition to our main booth in hall 6, we will be present again with our hydrogen program in the hydrogen area in hall 13.

Below you will find more information as well as a link to register for a free trade fair ticket for your visit.
