

HANNOVER MESSE

20. – 24. APRIL 2026

Dear valued customers,

As specialists for electromagnetic actuators, sensors and valve technology, staying connected with you is especially important to us.

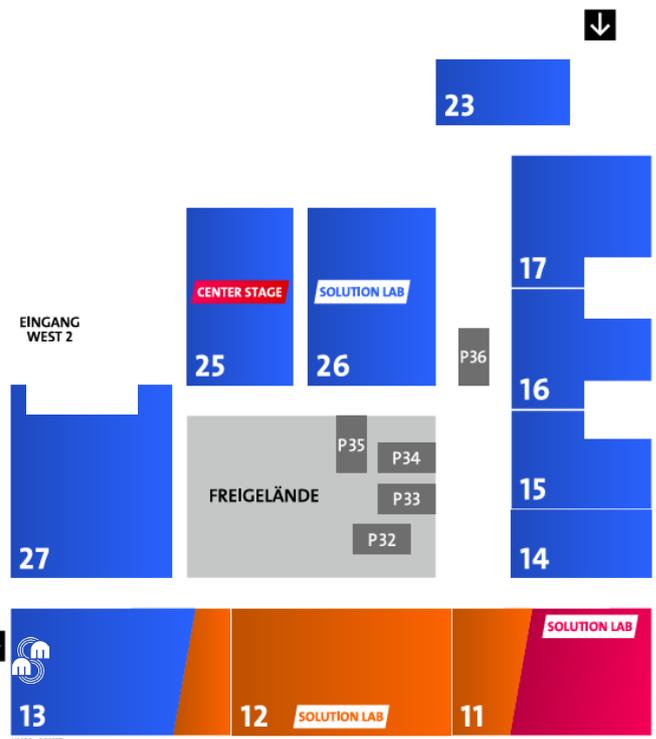

That's why we are pleased to invite you to visit us at Hannover Messe — you'll find us right at the entrance to Hall 13.

Discover our comprehensive product portfolio and explore our latest innovations for the following industries:

- Hydraulics
- Pneumatics
- Automotive / Commercial Vehicles
- Hydrogen Technologies
- And various other industrial applications

Meet our industry experts on-site and discuss your individual challenges in actuator, sensor, and valve technology.

We look forward to meeting you there!

Visit us in Hall 13 at Stand E02.

For you on site at booth H13 E02:

	Monday April 20 th .	Tuesday April 21 st .	Wednesday, April 22 nd .	Thursday April 23 rd .	Friday April 24 th .
